1 of finance shall schedule the issuance and sale of the bonds in
2 the most expeditious and economical manner possible upon a
3 finding by the board that the project has been developed
4 sufficiently to justify the issuance and that the project can
5 proceed to contract within a reasonable time. The state board

24 the bond proceeds for the project; and

25 (2) spend at least eighty-five percent of the

1 bond proceeds within three years after the applicable bonds

12 were issued to purchase vehicles, heavy equipment, educational
13 technology or other equipment or furniture that is not related
14 to a more inclusive construction or renovation project, at the
15 end of the fiscal year following the fiscal year in which the
16 severance tax bonds were issued for the purchase;

17 (3) for projects for which severance tax bonds
18 were issued to purchase emergency vehicles or other vehicles
19 that require special equipment, at the end of the fiscal year
20 two years following the fiscal year in which the severance tax
